## Political Organizations Prepare Slates And Organize For Spring Elections

SGL and CCO Present  
Tentative Lists of  
Candidates

With spring elections only two weeks away, the Committee for Campus Organization and the Student Government League, the two self-styled campus political organizations, have practically completed their slates of candidates. Last fall the two parties split honors in the elections for class officers, the CCO taking eight to the SGL's seven positions.

Austin Shelton, CCO founder and leader, and Leonard Shinew, SGL executive chairman, will not announce complete official selections of their candidates until next week. At the present time however, it appears that both parties will endorse Virginia Mae Powell, Five Sister, for May Queen, and D'Nelle Mason, Las Amigas President, for Attendant.

Tentative selections for senior Student Council representatives are Elmer Cryer, Iva Mae Bushey, Paul Powell on the CC ticket; and Grazia Grant and Ned Heminger for the SGL.

Summer Band School  
Bulletins Printed

Several thousand bulletins for the Summer Band School to be held at B. G. S. U. from June 6 to June 25 have been printed and will be distributed to all the music teachers of northwestern Ohio.

Prof. Charles Church, Director of Bands, will conduct the school. If this school, the only one of its kind to be held in Ohio this summer, is as successful as advance responses seem to indicate, it will become an annual feature of the summer program, Prof. Church stated.

Pi Kappa Delta  
Delegates Return

Seven Pi Kappa Delta members who attended the National Student Congress at Topeka, Kansas returned to Bowling Green after a week of experience and contact with some of the most outstanding students in the United States.

One of the high points of the convention was the Silver Anniversary Convention Banquet of Pi Kappa Delta. The guest speaker was Senator Josh Lee of Oklahoma who spoke of "Streamlining Democracy."

Competing in the debate tourney, extemporaneous contests, and participating in the Student Congress the Bowling Green delegation gained much valuable experience. They express their appreciation in the following note:

"We of the Bowling Green Delegation wish to take this opportunity to thank you for the privilege of representing our school in this National Pi Kappa Delta Convention. We wish, too, to express our appreciation to those who made this trip possible, especially do we feel grateful to Prof. and Mrs. Carmichael. We are all agreed that it was an interesting and educational trip."

## Council Considers Creation Of Board of Publications

Student Council at its meeting last Monday night postponed election of Key and News Editors in order to consider an amendment creating a Board of Publications to select Key and News editors. This amendment, more than any other one factor, will directly influence the quality of student publications in coming years.

If the amendment passes, student publications will have made a great stride in the integration and quality of their staffs. For selection by an impartial, competent Board is insurance that the editorship will be awarded on the basis of proved competence and ability to edit.

Staff morale on the publications would raise immeasurably if each member knew that in future years every staff member's record would be checked thoroughly and that the one who had done the best work would be sure to receive the editorship. Now work on the Key or the News is, to a certain extent, secondary, the chief requirement being ability to swing an election. Selection by a Board would offer an incentive to good work that is now notoriously lacking.

At the present time, selections made by political parties are proving to be excellent; but when present leaders graduate, when Key and News editorships are salaried posts, the probability of these posts becoming political footballs is too great to permit the continuance of an election system.

The student body, under the proposed plan, would be represented by two council members; the Key, by the Editor and a faculty advisor; and the News, by the Editor and the faculty advisor.

A vote for the amendment is a vote for the improvement of the *Key* and the *News*!

T'was O. K. for Clyde (Date A Nite) Scott to take likely lassies for a spin, but you know that Ford is sentimental. It seems it wasn't enough for Scott to be a Casanova, but 'tis said that his Ford was found trying to climb Shatzel Hall steps. Scott had a big deal on in the Parrot when his crate disappeared.

'Tis rumored that Eddie Siminski is leading Jim Zechman by a nose in the unofficial CCO poll for May Queen. Incidentally Coach Inman had no competition for maid of honor. Ted Grignon, veteran romeo of campus triangles, applied the brakes when a strange fraternity pin came into view. His Shatzel romance was on the rocks—for a while. Patch it up fellow; you can't keep a good man down, you know.

Alger (How much am I offered) Chapoton was a victim of circumstances. The whole football squad ganged up on him, removed his trousers, and applied a bucket of cold water to his anatomy. He had to take a shower, thus breaking his non-bath record of too many

weeks duration.

As a result of the O-O tie game, football men contend that the coaches should fry the steaks.

Hostile Leonard Shinew and Margaret Zaugg signed a treaty last week. Inconsistency is an unpardonable sin especially when you're involved Shinew.

### K. Long Elected State Wesley League Officer

Kermit Long, President of the local Wesley League, was elected treasurer of the State Student Board of Wesley Foundation at the State Wesley Foundation conference held at Columbus last week.

All former Hi-Y members are invited to attend the Bowling Green High School Hi-Y Alumni Formal Dance, to be held in the High School Gymnasium Friday, April 29.

Admission will be one dollar.

## Diagonal Walks To Be Built On Library Lawn

At least one diagonal walk will be constructed this summer across the broad lawn to the west of the Library, Dr. Offenhauer announced last week. The walk, to be of concrete, will extend from the southwest corner, nearest the Parrot to the junction of the sidewalk just west of the Library with the Court Street walk. Probably another walk will be built to extend from the northwest corner to the southeast corner.

Where the two diagonal paths meet, a circular flower garden will be planted with the paths curving about it. The construction of these walks is part of the \$103,000 WPA campus improvement project to be completed during this summer.

## A.A.U.P. Report Favors Campus Cafeteria

The committee for cafeteria investigation appointed by the local chapter of the American Association of University Professors last week returned a favorable report at the association meeting, and will present a petition suggesting the establishment of a campus cafeteria to the Policies Commission of the University at its meeting May 7. The report of the committee, composed of Dr. C. S. Martin, chairman; Dr. Helen Todd, and Miss Laura Heston, was read by Dr. W. C. Hoppes.

Dean Jordan read a paper on "Personnel Adjustment", and Mr. D. J. Crowley reported on the new constitution of the organization at the meeting held Thursday, April 28.

## Dr. Offenhauer At Otterbein Yesterday

Spoke at Toledo Last Friday

Dr. Offenhauer spoke at Otterbein college yesterday at 11:00 o'clock as a part of Otterbein's Founder's Day, an annual celebration there.

Last Friday he spoke on "Some Pressing Problems" at the union of Methodist Men of Lucas county held in Toledo.

Sunday evening, April 23, he welcomed over 500 Methodists from the Toledo District to a Music Festival held in the main auditorium.

## Inauguration Plans Completed

(Continued from page 1, col. 1)

The Dedication ceremonies Friday evening will begin at 7:45. Mr. Palmer Christian, brilliant organist of the University of Michigan, will present an organ recital of one hour and a quarter beginning at 8:15. This program is open to the public and student body.

After the recital, there will be an informal reception in the reception hall.

The new catalogue for 1938-39 can now be obtained at the registrar's office.

## Etchings of Campus Scenes To Be Shown

Betty Boyer Completes Work  
For Aeropagus Club

The five etchings of campus scenes, recently completed by Miss Betty Boyer, a graduate student of the University, will be put on display in the Administration building sometime this week.

This work has been sponsored by the Aeropagus Club, which has had 25 prints of each plate made. These prints are to be sold at \$2.50 per set. It may also be possible to purchase separate prints.

Those wishing to buy any of the prints should contact James Vann, president of the group, or Virginia English, treasurer, immediately, as farther prints will not be made.

## Sigma Tau Delta Publishes Folk Lore Booklet

Sigma Tau Delta, honorary English fraternity, has announced that their booklet, "Collection on Folk-Lore", legends and myths written by the students of the University, is now at press and will be released for general sale the first week in May.

The collection, it was stated by the editor, Miss Virginia Louise Powell, will sell for 25 cents the copy, about 200 copies being available. It will contain some eighteen pages of legends of the Northwest, myths of the Indian settlement, Miltonville yarns, customs in the South, and some studies of local characters of Bowling Green.

## Films on Venereal Disease Attract 250 Students

Almost two hundred and fifty students jammed the small PA auditorium last Thursday afternoon, April 21, to see two educational films on venereal disease. The films, brought here through the efforts of the Y. M. and Y. W. C. A., were shown by Dr. W. G. Johnson, chief of the State Bureau of Venereal Diseases.

No general college announcement was made of the showing of the films because the Wood County Music Festival, held in the main auditorium all day Thursday, forced the films to be shown in the PA auditorium.

## Westminster Plans May Meetings

Five May meetings are announced by the cabinet of the Westminster Club. Whenever practicable the meetings will be held on the grassy slopes of the estate of Mrs. Maude Raydure Rogers, who has invited the Club. The schedule of the meetings is as follows:

May 1—"Pan American Friendships", Miss Wrey Warner.

May 8—"The Magic of Constantinople", by a Mystery Man.

May 15—"The Moslem World" Dr. Harry J. Sarkiss.

May 22—"The Negro in American Civilization", Mrs. Jesse Heslip.

May 29—"Farewell Meeting" on the banks of the Maumee with an outdoor supper. Transportation will be provided through the courtesy of Presbyterian Church members.

## Parrot Banquet-Hall Enlarged, Improved

In order to accommodate increasing business, an addition and several improvements are being made to the Parrot Restaurant, popular student hang out. The addition will increase the size of the present banquet hall so that one hundred and twenty five couples can be accommodated. The addition will be fitted with movable tables to be used as a parlor when not needed for group parties.

The seating capacity of the present parlor will be increased by the installation of a double row of booths in place of the present single row in the center.

A new and larger soda fountain will be placed in the south part of the front part of the building. The school supplies and accessories will be moved to the present location of the soda fountain.

A brick facade is being constructed entirely around the building.

SPORT  
SHAVINGS

BY BOB BARON

"Stub" Shinew is the final guest columnist subbing for Bob Baron. Mr. Baron returns to the column next week.

To the confirmed checker fan, the game is a sport which deserves to be more popular with the American public than football. But, you may rest assured that the roaring thousands filling our stadiums will never agree. In the first place, a checker match—even a match involving a championship—is played in virtual seclusion. Only a handful of people are able to appreciate and understand what actually goes on in a game of checkers. There are no rattling telegraph keys with wild-eyed spectators when leading checker experts are in session—in these respects, the game of checkers is excelled. But, the spectacle of a half-back desperately lunging around an end with the home team players smashing down interference and the ball-carrier going twisting to the ground not ten feet from your own box-seat has more than its equal in the many intricate situations which arise upon the miniature battlefield of green and buff cardboard, with the inanimate red and white pieces of wood the opposing forces. This must sound like pure nonsense. But, two minds may fight a battle which is as vivid and colorful as any of clashing bodies and withal a battle far more satisfying to the soul.

Most people look upon checkers as merely a rural pastime unworthy of the thought of men of affairs. The game has become associated with country stores and old farmers with long flowing beards. The game brings to the mind a picture of a country store—one of those places where they sell epsom salts, saddle, soap, sardines, crackers, and nose-bags. Then there is the inevitable cast iron stove with its glowing coals visible through the small mica windows with its sagging smoke-stack wired to the ceiling. Sawdust boxes for spittoons are scattered about the stove. The neighborhood loafers are out in full force, some whittling sticks. A pair of stoop shouldered country-hicks in dirty overalls, tobacco juice staining their straggly beards are playing for the cross roads championship and a jug of hard cider. The battered checkerboard rests on an upturned soap box. While they are not suggesting moves to the players, the hangers-on are disputing the possession of a dog-eared copy of the Police Gazette.

But, this ludicrous caricature of the game is fast disappearing as is also the deeply rooted myth that it is a superficial pastime, requiring no great study for an intelligent man to acquire complete mastery.

Among the ranks of the modern checker players are to be found men from all walks of life—doctors, lawyers, business men, actors, college professors, bankers—even politicians. Thus, checkers is a game not to be recklessly ignored; for, it is not only a worthy activity with which to fill a part of one's leisure time, but, it also is a

Climaxing a ten week's spring football practice, Coach Ockerman sent his charges into a full game scrimmage at 4:15 last Friday afternoon, with the two squads battling to a 0-0 tie.

Coach Ockerman's Blue team treasured twice, reaching the Orange squads one foot line on a pass to Steele. Then after a series of fumbles the Orange lost the ball and regained possession when Capt. Stewart intercepted a pass and ran to the Blues 5 yard line. The rest of the game was played in midfield with no serious threats.

Both squads need polishing which means a lot of hard work next fall.

Good performances on the line were turned in by Riddle, Dotson, Brentlinger of the Orange and Knecht, Barnett, Capt. Siminski of the Blue squad. Rod Boyer, Soskey and Stewart

OTTERBEIN AT  
CITY PARK FRI.

Next Friday afternoon, April 29, at 3:30 the Falcon track team will make one of its two home appearances for the year. Several appearances have been cancelled because of the reconstruction of the track.

They will meet Otterbein at the high school field in the City Park. Very little is known about them but the Landismen are not expecting too much opposition.

Most of the B. G. boys are going to run two or three events in order to get in perfect shape for the Northwest Ohio meet the following week.

The team says they are going to get even with Otterbein for that upset basketball defeat last winter and a large crowd is expected to be on hand.

Sigma Delta Psi Tests

Glover, Frank Make Comebacks

Led by Co-captains Harlan Kinney and John Frontz, the Falcon track team edged Baldwin-Wallace last Saturday 68 2-3 to 62 1-3.

Baldwin-Wallace had led throughout the meet until Kinney and Gernert, by taking first and second in the low hurdles put B. G. ahead by one point with the mile relay the only other event of the day. With Frontz running first, Glover second, Frank third, and Johnson last, the quartet came thru with about a 30 yard victory over their opponents to take the relay and the meet.

Harlan Kinney returned to his old form in this meet, scoring 14 points to lead the Falcon point getters. He garnered a first in the pole vault with a vault of 10 ft. 3 in., a first in the high hurdles with a time of 16.1, a second in the broad jump and a third in the javelin.

"Mercury" Frontz scored 11 1-4 points, winning two firsts and tying two Baldwin-Wallace field records. He ran the 100 yd. dash in 10 seconds and the 220 in 22 seconds.

Falcon Nine Opens At  
Kent State Saturday

"Play Ball!" The cry which a Falcon baseball team hasn't heard for two years will again call players to their positions Saturday when they travel to Kent to face the Kent State nine. The game will open a six game schedule which includes two home games to be played at the City Park.

Although the squad boasts of some good material, nobody is expecting them to make anything like a good season's record because of the lack of conference experience of all but two players, Kuhlman and Wight. But with nothing but individual records in amateur ranks and their performances in practice to go by, sport observers are none too hasty to condemn or favor the Stellersmen.

New strength was added to the squad Monday when footballers Boyer, Soskey, Newlove, and Penton reported. Boyer, Goff and Soskey will probably end Steller's search for dependable backstops. Penton will do some twirling while Newlove is an outfield candidate.

B. G. is well fortified in pitching with Krotzer, Sautter, Marko, Pick, Penton, and Kuhlman ready for mound service. Krotzer and Sautter have twirled for semi-pro teams in Northwestern Ohio.

The infield for the Kent fracas will be decided this week with Welker, Smith, Wight, Roth, Ross, Pick, McNeel, Bird, and Stewart fighting for starting positions.

Hagg, Newlove, and Gamble will patrol the outer gardens.

Kent, of course, will be favored, but the Orange expect to give them a battle.

Soft ball teams set sail Monday for a close race for tournament honors with the Drawing Room All-Stars managed by Clyde (Date-a-nite) Scott as defending champions. It seems many of the managers have some outstanding trait

for instance Robert Wirth is unquestionably an intellectual Leonard (Agitator) Shinew will do anything for the sake of being different. He manages the Delhi Fraternity squad Wild Bill Berry is a little mite, but lives up to the saying "good things come in small packages" manages the Delhi House team.

Marcus Chilcote manages the Commoner Kittens and also a certain blonde on the campus, on whom I am sure he does a good job now there's Stewart Wolfe "Moe" manages the Commoner Cats, we hope (How about an odd cent) Wolfe doesn't end up in the cellar

then Bob (Smiley) Kruse is managing the last Fraternity team of his college career

last and least is Tubby Chapaton who volunteers to take baths more often with the horse shoe pits in shape it would be kind of nice if some of these men entered in the tournament would play off their games

also paddle tennis and tennis tournament games.

All games must be played soon as possible, according to your columnists, Intramural Sports Manager Jim Hollinger, Toronto, Canada, lad wishes some one else would sign up for intramural golf about 120 men are playing soft ball each Mon. and Wed. nites at 4:15 4 diamonds are set up with No. 1 at the corner of P. ### FORMAL INAUGURAL BALL TO CLIMAX WEEK-END ACTIVITIES

Each campus organization has been invited to present a special number as part of a novel floor show at the Inaugural Ball Saturday, April 30. Phratra Sorority is sponsoring the Ball, originally scheduled for an all-campus sport dance, but changed to the formal Ball to serve as a fitting close to the day's Inauguration ceremonies in honor of Dr. R.
